hello@gabrielmueller.eu

I am passionate about designing thoughtful product experiences which create a positive impact on peoples' lives.

Experience

04 | 2018 – current

Freelance Industrial Design

Hamburg, Germany

Currently working as a freelancer on a b2b project.

11 | 2016 – 05 | 2017

Working student User Experience and Interface Design macio GmbH, Kiel, Germany

Developed the design for a communication platform and created the editorial design for a manual.

05 | 2014 – 03 | 2015

Industrial Design Internship

yellow design GmbH, Pforzheim, Germany

Contributed to a client's project within the indoor climate sector. From initial user studies to CAD refinements for manufacturing purposes, I took part in each step of the design process.

08 | 2012 – 01 | 2013

Industrial Design Internship

Goodmorning Technology Aps, Copenhagen, Denmark

Assisted in several projects, ranging from branding and packaging design to the design of consumer goods.
